I. EXPERIENCE:

07/82 – present: S. Stratton Dept. of Veterans Affairs Medical Center (111L)
113 Holland Avenue Albany, New York 12208

6/94-present: Clinical Pharmacy Specialist, Pain Management

7/02-10/03: Clinical Pharmacy Specialist, Primary Care

3/87-6/94 (Clinical Pharmacy Specialist, Research/Oncology/Hematology)

7/82-3/87 (Staff Pharmacist)

ACTIVITIES HAVE INCLUDED:

- ◇ Development and implementation of Stratton VA Pain Clinic
- ◇ Ambulatory Care Chronic Pain Clinic
- ◇ Participate in daily pain management inpatient rounds to monitor and review pain management regimens on those patients referred to our service for chronic or acute pain management and/or PCA
- ◇ Pain Management Multidisciplinary Team Member
- ◇ Pain Management Multidisciplinary Team Chair
- ◇ Director, Pharmaceutical Care Pain Clinic
- ◇ Write Drug Utilization Review (DUR) and guidelines
- ◇ Coordinated and ran weekly Pharmaceutical Care Neurosurgery Pain Management Clinic. Activities Included patient evaluation, counseling, physical assessment, prescription writing and patient follow-up.
- ◇ Designed, conducted and participated in drug studies, audits and evaluations concerning the utilization review

of analgesic and antineoplastic drugs under the auspices of Therapeutic Agents and Pharmacy Review Committee, Quality Assurance and Research and Development Committee.

- ◇ Instrumental in the development of a Multidisciplinary Pain Management Team. This included development of policies and procedures in conjunction with other health professionals, patient rounds, pain evaluation, and the management of pain with a multidisciplinary team. In addition, all referrals for Patient Controlled Analgesic (PCA) ambulatory infusion pumps had been coordinated, monitored, and followed up by the Oncology Pharmacist.
- ◇ Member of the VAMC VISN Eastern Regional Pain Task Force.
- ◇ Initiated, developed, and supervised the Oncology Satellite. This included establishing a multidisciplinary team and writing initial policies for safe handling of cytotoxic drugs within the VA Hospital. We were the first hospital in the northeastern New York State to establish such policies, and our policies were used as a model for pharmacies throughout New York State.
- ◇ Evaluated drug literature by analysis of experimental design and conclusions, in order to compare and contrast therapeutic regimens and uses for new drug therapies.
- ◇ Designed antineoplastic drug dosage regimens utilizing pharmacokinetic principles and specific patient parameters, when requested by the attending physician.
- ◇ Provided drug information to various health care providers on all investigational drugs being utilized in the Medical Center and ensured availability of current drug information in Pharmacy, Medical and Nursing Services. Responsibilities included meeting with various investigative sponsors, writing and editing protocols, educating pharmacy, nursing and medical staff, and procuring, preparing, and dispensing medication.
- ◇ Prepared bulletins, newsletters and policy memos to inform physicians, nurses, pharmacists and other staff on the appropriate utilization of medications.
- ◇ Served as a consultant to the Therapeutic Agents and Pharmacy Reviews Committee on the selection of antineoplastic drugs for formulary listing.
- ◇ Attended Tumor Board meetings on a regular basis and aided in the selection of appropriate antineoplastic drug therapy.
- ◇ Developed and co-coordinated the high tech Homecare department at the V.A.
- ◇ Coordinated Pharmacy Grand Rounds, educational seminars for pharmacy, medical, and nursing staff.

◇ Committees Have Included:

Palliative Care Committee
Chairman, Pain Oversight Committee – VAMC, Albany
VISN NE United States Pain Committee – VAMC, Albany
National VAMC Pharmacy Pain Education Committee
National Pain Committee
National VAMC Institute for Health Care Improvement (IHI) Pain Task Force
Education Subcommittee (Implementing Pain as “The Fifth Vital Sign”)
Infectious Disease Journal Club
Pharmacy and therapeutics Committee
Cancer Committee
Tumor Board
Research and Development (voting member and non-voting member)

Human Studies Committee (voting member and non-voting member)
Ethics Committee
Surgical PCA Task Force
Pressure Ulcer Committee

◇ Primary Care Responsibilities:

- Medication Monitoring
- Polypharmacy
- Adverse drug reactions
- Drug interactions
- Medication compliance
- Laboratory monitoring for patients newly placed on antilipemic agents and dose titration as necessary.
- Frequent vital sign and laboratory monitoring for patients newly placed on antihypertensive agents and dose titration as necessary.
- Diabetic or asthmatic patients needing follow-up after a medication regimen change.
- Patient follow-up after recent formulary agent change to a nonformulary agent.
- Interim therapeutic drug monitoring for agents such as phenytoin, carbamazepine, digoxin, theophylline, etc.
- Patients recently initiated on warfarin in need of extensive education.

12-09-2009 - present: Consultant to ACURA PHARMACEUTICAL TECHNOLOGIES, INC. to perform services relating to the development of a new medication and to prepare Acura and its personnel for the FDA Advisory Committee Meeting reviewing the new drug application.

09-07-05: ACCP Credentials: Membership Committee, Term 2005-2006

IX. INVITED PRESENTATIONS:

October 17, 2011 - Opioid REMS: Helpful or Painful? As part of Pharmaceutical Industry, Hematology/Oncology, and Pain and Palliative Care PRNs' Focus Session—The Role of Clinical Pharmacists in Risk Evaluation and Mitigation Strategies (REMS) Programs. American College of Clinical Pharmacy Annual Meeting. David L. Lawrence Convention Center. Pittsburgh, PA

October 5, 2011 – New Jersey Dental Surgeons Association. A Continuing Education Lecture Series on Pain Management (4.5 hours) to include pre-emptive analgesia, opioid therapy, risk management, neuropathic pain, and REMS. Presented at the Woodbridge Hilton Hotel in Woodbridge NJ.

September 27, 2011 – PharmEd Presentation (American Health Resources). Current Trends in Opioid Use to Manage Pain and Minimize Abuse. Doubletree Guest Suites. Mt Laurel NJ.

September 18, 2011 - Pain Management Symposium at Albany College of Pharmacy & Health Sciences. Topic: Current Trends in Opioid Use to Manage Pain and Minimize Abuse.

July 30, 2011 – PharmEd Presentation (American Health Resources). 2-SESSIONS: Improving Patient Care; The Role of opioid REMS and Current Trends in Opioid Use to Manage Pain and Minimize Abuse. Marriott Charleston. Charleston, SC.

June 30, 2011 – Pharmaceutical Society of the State of NY (PSSNY) Annual Convention. Update on Opioid therapy: Recent Trends of Use and Abuse. Ft. William Henry Hotel. Lake George, NY.

June 7, 2011 – PharmEd Presentation (American Health Resources). Current Trends in Opioid Use to Manage Pain and Minimize Abuse. Hilton Boston/Woburn Hotel. Woburn, MA.

June 1, 2011 – PharmEd Presentation (American Health Resources). Current Trends in Opioid Use to Manage Pain and Minimize Abuse. Marriott Buffalo Niagara. Buffalo, NY.

October 8-9, 2010 - New York State Society of health-system Pharmacists (NYSCHP). Pain Management Practice Based Certificate Program. Program Moderator for 10 hour live and home study course development. Instructor for Acute and Chronic Opioid Therapy in Cancer and Non-Cancer Pain and Pharmacy Jeopardy Course Review Overview. St. Johns University Fresh Meadows, NY.

May 7-8, 2010 - New York State Society of health-system Pharmacists (NYSCHP) 49th Annual Assembly Meeting. Pain Management Practice Based Certificate Program. Program Moderator for 10 hour live and home study course development. Instructor for Acute and Chronic Opioid Therapy in Cancer and Non-Cancer Pain and Pharmacy Jeopardy Course Review Overview. Saratoga Hilton, Saratoga Springs, NY.

April 20, 2010 - Contemporary and Traditional Opioid Therapy in Cancer and Non-Cancer Pain. Northeastern NYS Counsel of health-system Pharmacists. Victory Cafe', Albany NY.

October 18, 2009 - Controlling Cancer Pain with Pharmacotherapy. Albany College of Pharmacy and Health Sciences Barbara M. DiLascia Lecture Series and Annual Oncology Symposium. Albany College of Pharmacy & Health Sciences. Albany, NY.

September 10, 2009 - Pharmacotherapeutic Considerations in the Treatment of Chronic, Non-Cancer Pain: Current Paradigms for NSAIDs/COX-2s, Anti-convulsants and Anti-Depressants. Sponsored by Central New York Society of Health-system Pharmacists and The New York State Society of Physician Assistants. The Genesee Grande Hotel Syracuse, NY.

May 28, 2009 – University of Connecticut College of Pharmacy, 32nd Annual Arthur E. Schwarting Pharmacy Practice Symposium: Pain Management. Lewis B. Rome Commons Ballroom, Storrs, CT Campus.

April 14, 2009 – New Directions in Pain for Pharmacy. Central Massachusetts Chapter, American Pharmaceutical Association. Clarion Hotel, West Springfield, MA.

September 20, 2008 – Clinical Considerations for Recommending, Assessing, and Modifying Chronic Pain Treatment. PriMed. Meeting in San Francisco Four Point Sheraton.

June 3, 2008 – Clinical Considerations for Recommending, Assessing, and Modifying Chronic Pain Treatment. PriMed. Meeting in Miami. Miami Hilton Airport Hotel.

May 29, 2008 – Clinical Considerations for Recommending, Assessing, and Modifying Chronic Pain Treatment. PriMed. Meeting in Melville. Melville Marriott Long Island.

May 1, 2008 – Clinical Considerations for Recommending, Assessing, and Modifying Chronic Pain Treatment. PriMed. Meeting in Philadelphia. Philadelphia Hilton.

March 13, 2008: Pharmacological Considerations in the Treatment of Chronic Non-Cancer Pain: Current Paradigms for NSAIDs, Neuropathy and Opioids. VISN-2 Pharmacy Conference. Sheraton Syracuse University Hotel. Conducted by Extension Services in Pharmacy, School of Pharmacy, University of Wisconsin-Madison.

April 12, 2007 – Responsible Use of Opioids. Presented at Evolving Paradigms / Providing Health Care to Transitioning Combat Veterans. Meeting in Las Vegas, NV Hilton.

December 5, 2005 -Implementation of virtual electronic clinical pharmacist PAIN Pharmacotherapeutic Review and DUE services to enhance rational chronic opioid use and curtail potential diversion in a va healthcare primary care setting (Poster: P-158-D). Authors: Jeffrey **Fudin**, Marjorie Barrows, Joanne Shear, Jerry G. Greene. Acknowledgements: Jason Lafayette, Casey Stineford. To be presented at the ASHP 2005 Midyear Clinical Meeting in Las Vegas, NV.

April 3,, 2005 – Use of Long Acting Opioids for Chronic Pain: An Update on Issues, Research and Treatment Trends, AphA Breakfast Symposium. Presented with Dr. James Otis. (315 pharmacist attendees) Houston Conference Center. Houston, TX.

March 1-3, 2005 – Department of Veterans Affairs 3rd Annual National Leadership Conference: Pain Management and End of Life Care. Presentation on Drug Selection, Regulatory Considerations, Toxicology Screening. Ft. Lauderdale, FL.

December 3, 2004 –The Pain Specialist/Pharmacist Relationship: Working Together to Optimize Medical Therapy for the Patient with Chronic Pain, Presented with Dr. James Otis. Houston Conference Center. Hyatt Regency, Coral Gables, FL.

October 26, 2004 –Tales From the Front: Doing the Right Thing in the Workplace. Whistleblowing: Jeffrey Fudin PharmD, Sexual Harassment: Kay M. Uttech PharmD BCPS, Failing a Student: R. Lee Evans PharmD BCPP FASHP. 2004 Annual American College of Clinical Pharmacy. Hyatt Regency. Dallas, TX.

October 25, 2004—Applying Balance to Chronic Opioid Use and Urine Toxicology Screening. A Pain PRN Focus Session at 2004 Annual ACCP Meeting. Moderator and Panel Participant: Jeffrey Fudin PharmD, Interpreting Urine and Serum Toxicology Screens, The Concept of Balance: Virginia L. Ghafoor PharmD, Regulatory Policies, Legal Issues, and Recent Controversies Surrounding Chronic Opioid Use: John J. Coleman MS MA, Bio-Psychosocial Issues in Chronic Opioid Use: Theodore V. Parran MD FACP. 2004 Annual American College of Clinical Pharmacy. Hyatt Regency. Dallas, TX.

October 16, 2004—Innovations in Pain Management Across the Life Span. Opioids, the Concept of Balance: Drug Selection, Regulatory Concerns, & urine Toxicology Screens when treating with Opioids. New England Pain Association. Elliot Hospital Conference Center. Manchester, NH.

October 1, 2004 – Use of Long Acting Opioids for Chronic Pain: An Update on Issues, Research and Treatment Trends, Pharm-Med. Presented with Dr. James Otis. (315 pharmacist attendees) Houston Conference Center. Houston, TX.

September 9, 2004 – Use of Long Acting Opioids for Chronic Pain: An Update on Issues, Research and Treatment Trends, Pharm-Med. Presented with Dr. James Otis. (475 pharmacist attendees) Radison Hotel and Conference Center. Miami, FL

May 27, 2004 – Methadone in the Treatment of Diabetic Neuropathy; A Retrospective Review. Hartbrodt C, **Fudin** J, Barrows, M. Eastern States Conference for Pharmacy Residents and Preceptors in Baltimore, MD.

June 2, 2004 – Veterans Administration Hospitals VISN-5 Pain Symposium. Pharmacotherapeutic management of Peripheral Neuropathy. Presented at the maritime Conference Center in Baltimore, MD.

April 30, 2004 – Myths and facts About Long-acting Opioids in Chronic Cancer Pain. A CE dinner symposium at the Oncology Nursing Society 29th Annual Congress, presented as a Multidisciplinary Analysis with Christine Miaskowski, RN, PhD, FAAN and Perry G, Fine, MD in Anaheim, CA.

January 23-25, 2004 – The State of Chronic Pain in America. At the JW Marriott Orlando Grande Lakes Hotel Orlando, FL. Coleman, **Fudin**, McCarberg, Passik; A Challenging Case in Pain Management: Abuse, Safety, and Regulatory Concerns.

December 5-7, 2003, 2003 – Chronic Pain Advisory Board Meeting. At The Westin New York at Times Square New York, NY. Session presented by Coleman, **Fudin**, and Passik; A Challenging Case in Pain Management: Abuse, Safety, and Regulatory Concerns.

October 24, 2003 – Chronic Pain Advisory Board Meeting. At Hotel Vintage Plaza. Portland, OR. Session presented by **Fudin** on Pharmacotherapeutic and Pharmacokinetic Considerations in Managing Chronic Pain: Focus on Opioids.

September 19-21, 2003 – Chronic Pain Advisory Board Meeting. At The Broadmoor. Colorado Springs, CO. Session presented by **Fudin** on Interpretation of Urine and Serum Toxicology Screens and Interpretation of Quantitative Interpretation.

March 5, 2003 – Department of Veterans Affairs 3rd Annual National Leadership Conference: Pain Management and End of Life Care. Presentation on Pharmacotherapeutic Considerations in the Treatment of Neuropathic Pain: Antidepressants and Anticonvulsants. Alexandria, VA.

Maxwell Terri L., Brookoff Daniel, **Fudin**, Jeffrey. New Developments in the Standard for Management of Chronic Pain: Improving Patient Functionality Through Individualized Pain Management. A Case Presentation. Presented for the American Society of Pain Management Nurses at Westin Crown Center in Kansas City, MO on February 22, 2003.

Fudin J. Development and success of a fee-for-service pharmaceutical care pain management web site, presented 4/24/01. Poster Presentation at American College of Clinical Pharmacy, 2001 Spring Practice and Research Forum, Salt Lake City, UT.

March 13, 2001 – Dept. of Veterans Affairs 2nd Annual National Leadership Conference: Pain Management and End of Life Care. Presentation on Pharmacotherapeutic Use of COX-2 Specific Inhibitors. Alexandria, VA.

Fudin J. Overview of appropriate use of COX-2 Specific Inhibitors within the Department of Veterans Affairs. Presented March 13, 2001 at the VAMC 2nd Annual National Leadership Conference: Pain Management and End of Life Care, Alexandria, VA.

IX. Other Research Completed (*not listed in publications above*):

Current: A Practical Formula for the Conversion of Opioids to methadone: A Retrospective Analysis of the Formula. (Undergoing development IRB review).

Primary co-investigator for the following Perdue Sponsored research grant,
A Multi-Center, Randomized, Double-Blind, Parallel Group, Placebo and Active-Controlled Study of the Safety and Efficacy of Buprenorphine TDS (transdermal Delivery System) 12.5, 25, and 50 mcg/hr Applied Every Six Days for Sixty Days vs. IR 5mg Oxycodone 325mg / Acetaminophen Tablets Q6H PRN vs. Placebo in Patients with Chronic Pain Due to Osteoarthritis.

A Long-Term, Open-Label, Clinical Use Safety Study of Buprenorphine TDS (Transdermal Delivery System) 12.5, 25, and 50 mcg/hr Applied Every 6 Days for the Management of Ongoing Pain Syndromes.

X. EXTRA-CURRICULAR ACTIVITIES/HOBBIES

Website Design

Sports

Music (saxophone, clarinet, flute)

Bethlehem Basketball League, basketball coach
12/95-1/99

President, Clarksville Elementary School P.T.A.
June 1992-June 1994

Bethlehem School Administration Presidents Council
September 1992-1994

Bethlehem Central School District, AIDS Advisory Council
September 1985-present

Town of Bethlehem Soccer League, Soccer Coach
August 1988-1996

The Woodwind Studio (1991-1998)

This is a private self-owned music studio in which I instructed students on saxophone, clarinet, and flute. I had a student load of 14 students. Studio was approved by local school district for high school course credit.

V.A. National Medical Music Group, CLARINET
The First Congressional Flag Day Concert w/ Judy Collins
Washington D.C.
June 12, 1996

V.A. National Medical Music Group, TENOR SAXOPHONE/CLARINET
Constitution Hall Performance w/ Shirley Jones
Washington D.C.
November, 1993.

The Bethlehem Community Orchestra, SAXOPHONE, CLARINET, FLUTE
September 1991-1993.

V.A. National Medical Music Group, TENOR SAXOPHONE

Carnegie Hall Performance w/ Shirley Jones
New York City, New York
December 8, 1992

The Kol Simcha Orchesta and Band of Gold (private dance bands)
December 1992-June 1998
